of value

6 SQUARE®  
CABINETS

The kitchen is the clear centerpiece of your home. Family and friends naturally gather in a welcoming space of warmth. 6 Square makes these spaces beautiful and affordable. As a home owner you are looking for quality that lasts, quality that looks impressive and quality that lives within your price range. 6 Square Cabinets are built to order for your style and budget. While sourcing materials from around the world, we design, engineer and build in the USA to deliver the highest 6 Square quality and value. We build amazingly solid, best-in-class cabinets offering the most popular styles that are traditional with a contemporary flair. 6 Square has a fine selection of species and finishes to complete the look of your kitchen.

Simply put, 6 Square is superior craftsmanship that's comfortably affordable and tremendously attractive.
